PICE QATAR CONTINUES TO SOAR HIGH FOR THREE CONSECUTIVE YEARS

Jerick Lising

Philippine Institute of Civil Engineers - Qatar Chapter has swept all the awards in the International Chapter - Category D, achieving its three-peat title for the "Most Outstanding Community Project" and "Most Outstanding Newsletter" and its second year for the "Most Outstanding International PICE Chapter" during the 45th PICE National Convention and Technical Conference held last October 28 to 30, 2019 at the SMX Convention Center, Mall of Asia Complex, Pasay City, Metro Manila, Philippines.

There is a total of four entries that the PICE Qatar submitted to the PICE National Awards 2019 Committee. The three awards

under the Category D is a success, however, the entry for the award of most outstanding chapter president has slipped away due to its different criteria that includes all the chapter both international and local.

For the entry for the Most Outstanding International Chapter 2019, the chapter showcased its programs and activities conducted to support the PICE Mission, Vision and Core Values, National agenda, Chapter's objectives, community projects, and membership growth.

While for the Most Outstanding Community Projects 2019, the chapter submitted the completed Deep Well project benefitted the JUPHAI Community at Zamboanga

These activities are also included in the submitted report for the "PICE Serves!", an initiative of PICE National to intensify the implementation of PICE's Community Services.

The Most Outstanding Newsletter 2019 - "PICE Qatar Newsletter" - The official publication of PICE Qatar Chapter receiving its

unprecedented three consecutive year award. This is the fruit of the labor and dedication of its Editorial Staff, Advisers and the Committee on Publications and Information (CoPI) for releasing the newsletter every month and having special issues covering the special events of PICE Qatar Chapter.

Achieving these accolades proves that PICE Qatar Chapter strives to grow as a professional organization for Filipino Civil

Engineers in the State of Qatar extending its hand to the local communities in the Philippines.

PICE Qatar was represented by Engr. Brando Noora, Engr. Jhenevie Maurera, Engr. Helario Amoguis, 2019 Chapter President and Engr. Roy Baquiran, PICE Qatar's first PICE Fellow and the Founding President in receiving the award from 2019 PICE National President, Engr. Erdsan Rene Suero.

PICE QATAR NEWSLETTER

OCTOBER 2019 ISSUE

CALL FOR BOARD OF DIRECTORS NOMINATION

Shielu Manantan

To all Philippine Institute of Civil Engineers (PICE) and By-Laws, please find the Qatar Chapter Members: qualifications of candidates below:

The PICE-Qatar Chapter will hold its 13th General Assembly on the 29th of November 2019. The event would also feature the Annual Election of the new set of Board of Directors (BOD) who will spearhead the Chapter for the following year. This is the time of the year that we look ahead at 2020 and what the future may bring personally and professionally both to the organization and to ourselves. Relative to this, please be informed that the nomination for 2020 BOD is now open.

As a member of PICE-Q you have the privilege of nominating yourself or other members to serve on the Board of directors. You are invited to submit yourself or to recommend someone you think would be a great leader or contributor to the organization.

As per the PICE-Q Constitution and By-Laws, please find the qualifications of candidates below:

- Must be a regular and active member of PICE Qatar Chapter in good standing.
- Must hold a valid PRC License as a Civil Engineer.
- Has been a member of the Chapter for at least one (1) year prior to the election.
- Must have a commitment to serve the Chapter unconditionally.

Further, please be informed of the following guidelines:

- A regular member may nominate himself/herself or any other qualified member as a candidate for BOD.
- Nominations shall be done by filling up the nomination Form

Nominees shall provide the NOMELEC a completed and signed **Nomination Form** to indicate acceptance of such nomination.

Associate Members, meanwhile, can only nominate other active Regular Member in good standing.

Candidate's nomination forms will be accepted by the NOMELEC starting October 3, 2019 up to midnight of October 25, 2019.

Serving on the Board is both a privilege and a commitment. Become a leader in an award-winning chapter of the largest meeting and event industry association worldwide is real business. Take this as an opportunity to grow personally and professionally and to contribute to an award-winning chapter as a leader, serving not just the organization but the fellow Filipino Civil Engineers.

OPINION

INTERNATIONAL CHAPTER AWARDEE

late last October, PICE National during the 45th National Convention announced the winners of the most coveted awards for 2019. It was the culmination of the stressful, tiresome, and sleepless nights of preparation by the members of the PICE Qatar's Awards Committee and the seemingly endless days and hours of waiting by the BODs and the General Membership alike for this year's winners to be announced.

Finally, the time has come and with the news that PICE Qatar winning in three categories out of four that it joined. Everyone can't help but be amazed by how far did the organization reached at this point in time. Isn't it a feat that we have won the Most Outstanding Newsletter and Most Outstanding Community Service thrice and the most coveted Chapter Award twice for consecutive years?

Well, we need to be thankful that we have dedicated, energetic and selfless men and women at PICE Qatar who remains true to the spirit of voluntary service as manifested and symbolizes by those plaques and certificates that

the organization received. Those organizations, communities, ordinary people and members of other organizations that benefited from the programs of PICE Qatar will surely have PICE Qatar engraved in their hearts and mind forever.

Five school buildings, deep wells, scholarships, assistance to members who are in need and Associate Members that became full pledge engineers to name a

programs who are worthy to be called modern heroes of our time. They may not need applause and accolades, but surely they will need additional support from all the members. Because by being an active organization and by answering to the needs of its members, its community and our country only could the organization remain relevant.

True, there may be quite a few members who think that PICE Qatar is still not doing enough for the well-being of its members but surely that criticism will be the basis of further improvement by the organization. Or probably, those few are those who are not aware of what the organization has accomplished as they are not active members. Need we say more? ■

PICE QATAR NEWSLETTER

NOVEMBER 2019 ISSUE

THE PRESIDENT'S LOUNGE

Message from the President

Helario S. Amoguis

CEng, ASEAN Eng.
The 12th President of PICE Qatar Chapter

I commend all for the successfully conduct approved oathtaking ceremony in line with PRC Resolution 1183 (i.e. Guidelines on the Conduct of Oathtaking for New Professional Overseas) this year and successfully adding at least 20 Registered Civil Engineers in our roster.

Apart from our major event held recently, we also conducted this month other chapter activities –

It is during November that most of the officers and volunteers are busy in preparation for our annual major event. This year we include technical convention to allow attendees to earn CPD units and earn more technical knowledge in our chosen profession.

During our recent event, we have also successfully chosen new leaders to lead the chapter for the year 2020. Congratulations to all the newly elected officers headed by President-Elect Engr. Sheila Medel. We hope that the new leadership will indeed gear us all towards professional competency in 2020 and in the years to come.

We also successfully conducted the special oathtaking ceremony for our New Civil Engineers who had passed Licensure Examination here in Doha last August 2019. Oath taking ceremony was administered by Dr. Romeo A. Estañero, who is a current member of the Board of Civil Engineering and Chairman of the CPD Council of Civil Engineering. Professional I.D cards and certificates of registration were personally handed over to the passers during the ceremony.

Dr. Estañero also delivered an inspirational message to all attendees. My special thanks to Mrs. Susana Nacario for coordinating to the concern authorities in the PRC for the conduct of special oath taking, visa processing and the accommodation of our guest. It is also worth saying that among members of PPO Qatar, only PICE was able to

11th EXECOMM meeting

Last November 8, 2019, the meeting was successfully held at PICE Qatar Head Quarter and was attended by 19 officers composed of Board of Directors, Council of Advisers and Adhoc committee chairmen.

October Issue of PICE Qatar Newsletter

Through the effort of COPI Chair and his team, the 10th regular issue of PICE Qatar Newsletter was released last November 27, 2019. The layout has been held in abeyance to allow the completion of Souvenir Magazine for 13th General Assembly. It was a herculean task of the COPI Chair to complete the design of two magazines at almost the same time. Congrats to the COPI Chair Engr. Jerick Lising for a job well done.

3rd PICE Qatar Math Whiz 2019 Championship Round held

Support Programs and Event Committee for Students (SPECS) headed by Engr. Arman Tolentino has conducted the final round of the 3rd PICE Math Whiz 2019 at Philippine School Doha Gym last November 1, 2019. Around 120 students from PISQ and PISQ participated in the contest. It was a huge success for all. PISQ team emerge as the champion for Grade 11/12 Category while PSD swept

all the grade 9 and 10 categories. All winners took away the total cash prize of around ₱70,000.00 from our generous team sponsors mostly PICE members and officers.

Nomination and Election Committee (NOMELEC)

A series of meeting was organized by our NOMELEC Chair IPP Engr. Aileen Buenafior to ensure a smooth election of the BOD for 2020. Also, meetings with candidates have also conducted to brief the conduct of the election and likewise presenting candidates programs.

Committee on Professional Development

Thanks to the effort of Chairman Aushford Acera for facilitating the documentation of the technical convention held last November 22, 2019 at Oryx Rotana Hotel. It was indeed a huge success for your team.

Moreover, Review Classes for Special Licensure Examination for Civil Engineers is going on and held every Friday at Oryx Hotel. Associate members who would like to grab the opportunity and participate in the program, you may inquire to any of the current officers.

Other committees such as membership, ways and means, specialist and life membership application were constantly available during meet up to address some membership issues and other matters related to PICE Qatar

PICE Qatar's 11th EXECOMM Meeting Held

Alfonso Betita

The PICE Qatar's 11th EXECOMM Meeting, which was originally scheduled on November 1, was held last 08 November 2019 instead.

This is by virtue of the approved Resolution No. 006-2019 authorizing the postponement of the same meeting by the Board of Directors to a later date due to the recently concluded Math Whiz Final Round falling on the first Friday of the November month.

The 11th EXECOMM Meeting lasted from 8:40 AM to 1:20 PM covering a variety of topics including administration and committee reports.

The main discussion during the meeting focuses on the preparation for the incoming 13th

General Assembly and the 1st Technical Convention scheduled on the 22nd and 29th of November 2019.

The 11th EXECOMM Meeting was presided by PICE Qatar President, Engr. Helario S. Amoguis and was attended by Engr. Sheila L. Medel - 1st Vice President; Engr. Elvin D. Fajutagana - 2nd Vice President; Engr. Alfonso Belito C. Betita - Secretary; Rolan E. Nevado - Treasurer; Engr. Belinda E. Dela Cruz - Public Relations Officer; Engr. Mark Anthony P. Abendan - Business Manager; Engr. Maria Michelle A. Revillosa - Sergeant-At-Arms; Engr. Rogel B. Banal - Chairman, COME; Engr. Emmanuel German A. Boceta - Chairman, COPA; Engr. Jerick A. Lising - Chairman, COPI; Engr. Bernard Y. De Vera - Chairman,

COHOPLE; Engr. Newcesar T. Templonuevo - Chairman, COWME; Engr. Loraine C. Radan-Chairman, COCPA; Engr. Aileen A. Buenaflor - Immediate Past President.

Council of Advisers and Past Presidents that were present include Engr. Roy L. Baquiran - Founding President; Engr. Noel T. Jumawan; Engr. Arnel P. Punsalan; Engr. Geraldo T. Managuelod; and Engr. Ronaldo B. Nilo.

Also in attendance were Engr. Aushford O. Acera - chairman, CPD Accreditations; Engr. Arman A. Tolentino - Chairman, SPECS; and Engr. Alnovar S. Abubakar - Chairman, COLSA. ■

3 New ASEAN Chartered Professional Engineers (ACPE) Recognized

Emmanuel German Boceta

Three PICE Qatar members were recently approved by ASEAN Chartered Professional Engineer Coordinating Committee (ACPECC) in their meeting back to back with the 94th ASEAN Coordinating Committee on Services (CCS) held in Manila, Philippines on October 22, 2019.

Engr. Alnovar S. Abubakar-ACPE-03900/PH; CE-101091 (top right); Engr. Emmanuel German V. Boceta-ACPE-03901/PH; CE-62939 (middle right); and Engr. Harry D. Lameg-ACPE-03902/PH; CE-101091 (bottom right) were approved by the committee and admitted in the ASEAN Chartered Professional Engineering Registry (ACPER).

The 11th ASEAN Chartered Professional Engineer (ACPE) Conferment Ceremonies is

scheduled to be held tentatively on March 20, 2020 in Manila, Philippines with the venue yet to be finalized.

With the help of PICE Qatar Chapter, through the Committee on Life Membership and Specialist Applications (CoLSA), these three engineers have hurdled the voluminous document preparations and completed their stringent panel special interview successfully in Manila, Philippines last July 2019.

PICE Qatar Chapter encourages every qualified member to prepare and submit their application and avail of the assistance provided to its members in upgrading and leveling up with their competencies to be recognized in the ASEAN arena as well as in the international world of engineering professionals. ■

on the 29th of November, 21 new Civil Engineers took their professional oath before Dr. Romeo A. Estañero - a member of the Professional Regulatory Board for Civil Engineering.

They were handed their Board Certificates and their Professional Identification Cards during the event. These new Civil Engineers were the product of the recent Special Licensure Examination given in the Middle East and Singapore last August 2019.

The new civil engineers who took their professional oath during the event were:

1. Pingol, Robe Aloysha Aguirre (2nd Placer 2019 SPLE)
2. Reyes, Marie Joy Erandio
3. De Asis, Hulphe Rasimo
4. Magalona, Simeon III Noma
5. Manrique, Leo Galay
6. Santiago, Ramon Gallo
7. Valencia, Vicente Delos Reyes
8. Noveda, Rudy Kim Malaba
9. Zamora, Eugene Kho
10. Caceres, Fenio Eligio Jr.
11. Go, Johnson Pua
12. Berja, Rosendo Jr Benjamin
13. Gamara, Jose Dojie Serrano
14. Magat, Wilfredo Ferrer
15. Arnaiz, Mary Chriss Fulgueras
16. Rebano, Roberto Teodosio
17. Natavio, William Paragas
18. Corpuz, Jeff Maverick Juarez
19. Alcantara, Danica Rose Marcelo
20. Getuaban, Jerome Amoguis
21. Hinong, Ferman Mark Pizaña
22. Ocampo, Marian Macabutas ■

Lastly, my heartfelt thanks to all who have supported our chapter activities and program in different ways.

With your active support, we were able to sustain the momentum and overcome challenges at hand.

For being the most outstanding chapter for the last three years is a huge honor for all.

Thus, I can now say, This year is a huge success for PICE Qatar. Congratulations!

Mabuhay ang PICE Qatar! ■

4TH AER SPECIAL CONFERMENT CEREMONY

Shielu Manantan

The Philippine Institute of Civil Engineers (PICE) Qatar Chapter in collaboration with the Philippine Technological Council (PTC) organized and hosted the 4th Special ASEAN Engineer's Conferment at Dusit Doha Hotel, Westbay, Qatar last December 6, 2019.

The event chaired by Engr. Emmanuel German V. Boceta and hosted by Engr. Arnel Punsalan and Engr. Shielu Manantan commenced with the Entrance of Colors of the Participating Engineering Disciplines followed by a parade of the conferees.

The Guest Speaker, Engr. Federico A. Monsada, President of the Philippine Technological Council (PTC) delivered his congratulatory message to the conferees at the

same time urged the engineers who have yet to submit their applications to challenge themselves to be on the top edge of their professional careers.

Engr. Federico A. Monsada, Engr. Romulo R. Agatep, Director-International Affair, PTC and ASEAN Federation of Engineering Organization (AFEO) Country Registrar Philippines; and Engr. Roy L. Baquiran, PICE Qatar Founding President and PTC Deputy Adviser for Qatar led the conferment rites which featured the Charging of the newly conferred Engineers, the oath of membership, and the awarding of certificates, medallions, and pins to the conferees.

The newly conferred ASEAN Engineers are:
