MESSAGE

My warmest greetings to the **Philippine Institute of Civil Engineers, Inc.–Qatar Chapter (PICE-Qatar)** as it holds its **Induction of 2019 Officers and Board of Directors, Recognition of Committee Members** and **Oath Taking of New Members**.

Our nation is proud of our civil engineers who exemplify hard work and professionalism in communities and industries abroad. I commend PICE-Qatar for safeguarding their welfare and enriching their knowledge on the latest trends in this field as they pursue successful careers in their adoptive land.

This year's theme aptly highlights the primary role of civil engineers in shaping a progressive world through robust infrastructure. I trust that your new leadership will strengthen the members' commitment to render excellent service to their respective clientele.

This administration relies on your technical expertise and exemplary work ethic to set a global standard for all Filipino civil engineers. I urge you to be mindful of how you can contribute to the progress of your motherland as you do in your current industries.

I wish you a meaningful event.

RODRIGO ROA DUTERTE

MANILA
8 February 2019

THE PRESIDENT OF THE PHILIPPINES

EMBASSY OF THE REPUBLIC OF THE PHILIPPINES

MESSAGE

Greetings!

I wish to convey my warmest greetings and sincerest congratulations to all the Board of Directors, officers and members of PICE-Qatar for the year 2019. This is yet another challenging year but I am confident that with perseverance and unity, you can achieve your goals.

Your theme *"Civil Engineers at the Forefront of Progressive and challenging World"* is very timely in this era of breakneck technological advancement and infrastructure development. Filipino Engineers are known to be one of the finest and brilliant engineers in the world. The challenge of staying above the curve and taking the lead is mounting by the day.

However, I am confident with the Filipino inherent talent, ingenuity and skill. Coupled with the right attitude and work ethics, I have no doubt that the Filipino Civil Engineers will continue to make a mark in the world.

And so, thank you for bringing pride and inspiration to the Philippines.

Congratulations and Mabuhay ang mga enhenyerong Pilipino!

ALAN L. TIMBAYAN
Ambassador

MESSAGE

Warmest congratulations to the officers and members of the Philippine Institute of Civil Engineers Qatar Chapter (PICE-QC) during the occasion of the Induction Ceremony of the 2019 Officers and Board of Directors, Recognition of Committee Members and Oath Taking of New Members.

You are again called to uphold the tenets of your profession at the highest level even as you continue to serve and uplift your membership and guide and encourage others as they aspire to enter your fold. The Philippine Overseas Labor Office (POLO – Qatar) of the Embassy of the Philippines takes pride and is very much appreciative of the efforts, achievements, and contributions of your organization for all these years.

I offer my very best wishes to all of you as I remain enthusiastic to our strong and continuing partnership in the service of our Filipino compatriots here in Qatar. We also look forward to greater successes and attainments as a group and as individuals as you commit to your roles in pursuit of professional excellence and integrity.

More power and blessings to the PICE - Qatar Chapter!

DAVID DES T. DICANG
Labor Attaché

PHILIPPINE INSTITUTE OF CIVIL ENGINEERS, INC.

Warm greetings to my colleagues in the Philippine Institute of Civil Engineers- Qatar Chapter on the occasion of your Induction of 2019 Officers and Board of Directors, Recognition of Committee Members and Oath-taking of New Members on the 8th of February 2019 with the Theme "Civil Engineers at the Forefront of a Progressive and Challenging World"

Over the years, your professional services to your host country have indeed greatly contributed to the progress it has attained so far and is actually a work-in-progress so to say, thus a living proof and a confirmation of your chosen theme for this event.

Your chosen theme for this year is not only appropriate now but also into the future, whether you are in any other country or even if you decide to go back home.

Mabuhay ang PICE.

ROBERT S. LICUP, PhD, APEC/ASEAN Eng., ACPE
National President

PHILIPPINE INSTITUTE OF CIVIL ENGINEERS
QATAR CHAPTER
International Charter No. I-03
P.O. Box No. 30628
Doha, State of Qatar
Email: info@piceqatar.com
Website: www.piceqatar.com

On behalf of the 2019 Officers and Board of Directors of our beloved PICE Qatar Chapter, I would like to thank each and everyone for your continued support in pursuing our organization's goals and objectives. Since 2007, PICE Qatar has done remarkable feat through the great endeavor and dedication of past leaders and with unconditional support from members.

This year's theme "**Civil Engineers at the Forefront of a Progressive and Challenging World**" is timely and relevant to all of us working abroad. We are fortunate enough to be part of Qatar's progress which, just like other countries across the world are being confronted by global challenges like climate change, and sustainability. Civil Engineers have constantly been at the forefront in sharing their ideas, knowledge, and best practices with professionals in other disciplines in order to respond and address these global challenges. Indeed, we Civil Engineers are able to surpass daily challenges at work that help us excel in our different areas of expertise.

Being chosen as the President of our beloved chapter is a great honor and privilege. The opportunity to lead is not given to all. Being the elected leader of this esteemed professional organization is indeed not a "walk in the park". In 2018, our chapter has received three prestigious awards from PICE National, namely: "Most Outstanding International Chapter", "Most Outstanding in Community Projects", and "Most Outstanding Newsletter". We are very fortunate to have great leaders in the past coupled by the remarkable support from members, thus paving the way for PICE Qatar to achieve these feats. This year's great challenge is to sustain, if not surpass those remarkable achievements.

We are confident, however, that with all your unrelenting support and active participation in all our programs and activities, we can be more relevant to our profession, to our fellow members and to the society, in general. It is thru this support from within the organization that we, collectively, can fulfill the mission and vision of PICE Qatar.

Lastly, thank you to the 2019 Officers and BOD, as well as to Committee Members who have volunteered to come forward and serve PICE Qatar. This is not all about leadership and governance but more importantly, a pure desire to contribute and serve PICE Qatar Chapter at all levels. Let us hope for the best and by working together and learning from each other - we can make a Big Difference!

Mabuhay PICE Qatar!

Engr. HELARIO S. AMOGUIS
2019 President – Philippine Institute of Civil Engineers – Qatar Chapter
