## Decade existence of PICE Qatar Chapter

Felipe Catinoy

A competitive engineer is usually known after a decade of continuous work experience. PICE Qatar has reached its peak of excellence, since it existed in Qatar for ten (10) long years. Through the years, several accomplishments have been realized with the strong leadership persisted. It was in the year 2007, which the chapter has been moulded by 21 Civil Engineers, through their initiation, spearheaded by Roy Baquiran. The creation of the chapter in Qatar truly helps its fellow engineers in advancing its technical capabilities in order to be globally competitive.

In each year, milestone involved as follows;

2007-2008 – Founded PICE Qatar Chapter. Started to conduct Seminars, Membership, Beach Cleanup, Blood Donation and Newsletter (Balitang PICE).

2008-2009 – Launched the Website, SPLE Review, PPO (Pioneer), Outreach Program, Bowling Tournament and Tree Planting.

2010 – Started the Basketball Tournament and Plant Visk.

2011 – Started to conduct Seminars in a five (5) star Hotel and distributed Membership Manual.

2012 – Created a venue for Filipino Civil Engineers to showcase their professional skills and talents internationally by conceptualizing the PICE International Technical Conference (ITC) and successfully hosting the 1st PICE ITC. Initiated a project with social impact on education and environment by funding PICE Qatar's 1st School Building Project.

2013 – Facilitation in the construction of 1st School Building. Funding completion of 2nd School Building. Founded

PICE Qatar Toastmaster Club. PPO Basketball Tourney. Collaboration with International Organizations (CIHT, ICE, CSC and MIDAS TI). Route to chartership workshop. PICE Qatar website upgrade. Media exposure through GulfTimes and Qatar Tribune.

2014 – Awareness campaign for MMUP, AER and ACPE registration. Construction of 2nd School Building. Partial funding for 3rd School Building.

2015 – Approval/Conferment of PICE Qatar 1st Batch ASEAN, ACPE and APEC Engineers. Newsletter award documentation. Monthly Outreach Program. Funding completion of 3rd School Building.

2016 – Mid Year Technical Convention. ASEAN Engineer
